Learn about this and more at the City of Pembroke Operations Department Open House!

Everyone is invited Wednesday, May 21 from 9:30 a.m.-2 p.m. for a day of free, interactive fun.

*If there's rain, the event will be moved to Thursday, May 22.

This open house takes place during Public Works Week (May 18-24), which recognizes and celebrates our public works professionals who contribute to and enhance the quality of life in our community.

In Pembroke, our public works staff play important roles in giving us:

- roads safe to travel on
- clean, running water
- flushing toilets and effective sewer systems
- stormwater management
- a City that grows and improves to meet our needs
- and more!
