## Free WFL Performance Featuring The Damon Betz Odyssey

Date and Time: Thursday, June 19 7:00 pm - 9:00 pm

Address: 11 Albert St, Pembroke, ON

Performer: The Damon Betz Odyssey

Genre: Rock

About: Damon began his musical journey at the tender age of 8, strumming a right-handed guitar despite being left-handed. Despite having less-than-ideal teachers, his passion for music only grew stronger throughout his childhood and teenage years. At around 9 or 10, a broken acoustic guitar led to the gift of a cheap electric guitar from his step-parents, further fueling his musical aspirations.

Without formal training, Damon honed his skills through sheer determination and a love for music. College was a turning point, where they discovered that one doesn't need to be a rock god to play like one. By imitating and playing by ear, they mastered the complex sounds of Rush.

Over the years, Damon expanded his musical repertoire to include the guitar synthesizer, piano, harmonica, and Chapman Stick, all self-taught. His passion for music also led them to sound engineering, where they now create and engineer his own backing tracks, singing and playing guitar over them. Lately Damon found that he could mimic voices rather well adding cred to his gigs.
