1989 -2024 Thirty Five years of Volunteers dedicated to Pembroke's Outdoor Art Gallery

Present: Pamela Dempsey, Jane Kielman, Councillor Ed Jacyno, Claudia Gadinger

Regrets: Dennis Corrigan

Agenda: Motion by Jane Approved

Minutes: September 4th Motion by Ed Approved

Correspondence: [read only if necessary]

Financial Report:

September: no activity Motion by Jane Approved

Business Arising:

'The Great Fire of 1918'

Jeff plans to apply an RV coat at his own expense/time. It was too hot the Thursday/Friday he planned to do this: he's recovering from Bronchitis.

Pam: Next year would be OK if the weather and his available time runs out.

'Marguerite d'Youville and Her Mission'

No reply from Mark Allen repairing & painting the sky area of 'd Youville'. Pam emailed him September 4th as suggested by Ed.

Jane: Furniture and other garbage are still in front of this mural.

Claudia is meeting Bethea/PBIA later this afternoon, she will ask about it being picked up and get back to us.

'The Pioneers of Pembroke Township 1820-1850'

Pam painted the front of the frame's 'legs' September 27th

Unfortunately, two pieces of the repair had come loose. Pam suggested we rent a lift unit for a day, there are no half day rentals, and hire Jeff for a part day to apply screw nails to every piece. We discussed the approximate cost of \$1,000.00. Approved

A request is in at Sunbelt Rentals for a quote: Jeff is interested.

Committee agreed to meet this Friday morning to paint the front of the horizontal frame.

'The Timber Raft':

Next week we will clean up this site weather permitting. Ed will bring a cordless leaf blower for the pine needles among the rocks. The pine needles will be bagged by PHM and picked up by Parks & Rec.

Pam inspected the site this morning: very little garbage & some weeds have grown back.

Donation of Original Paintings

Steve Perry, President & CEO of Carefor Civic Complex has accepted our offer of '**A Century of Service 1896-1997**'. We are waiting for him to give us a day/time to deliver the painting.

An offer to donate '**The Irish Play**' has been made to Rick Wharton at Festival Hall. The email was forwarded to Elijah McKeown: Elijah advised our offer will be on the consortium's next Agenda. Ed suggested the Knight's of Columbus if the offer is declined.

Pam asked Claudia what '**The Mackay Street Arena 1905-1951**' looks like in Bogies Bar. She doesn't think it's been hung up yet: has been working from home recently.

Mural Site Condition: 'CPR Water Tower'

This property is vacant and site neglected: weeds and 'shrubs' have grown around the base of the tower. We will look at it next year for cutting back weeds etc.

New Business

2025 Strategic Partnership Application & 2024 Year End Report is due November 27th latest.

Pam asked committee to think about the number of volunteer hours for 2024. Some of the information on last year's Application will be repeated: it's 2024's work to describe and plan 2025's work.

Other

Pam asked Mayor Gervias and Dave Unrau if there is room for '**Champlain Trail**' and '**Pembroke Street Lights**' original paintings upstairs or in their offices.

Massimo Lizola still has not reached out to us after agreeing to July 3rd. We spoke to him about copyright & ownership. He agreed to let us know what murals he is using in the new book so we can make sure that credit is being given to the Artists and PHM.

Pam will ask Dennis if he can check Mr. Lizola's web site for November's meeting.

Jane: The mailbox at the 'Millennium' mural is still not emptying quickly these days. Jane checks it once a week. It is the first time in twenty plus years that it's seen little activity.

Adjourn: 2:20 p.m.

No meeting in December.

Touring murals is a safe activity.

NOTICE OF MOTION
October 15, 2024
Regular Council Meeting

Moved by: Councillor Ian Kuehl

Seconded by:

WHEREAS residents of the City of Pembroke have experienced significant increases in drug crimes and drug-related crimes throughout the City of Pembroke, including increases in the frequency and severity of such crimes;

AND WHEREAS local businesses, and particularly those in the downtown core, have been directly impacted by the higher incidences of drug crimes and drug-related crimes that increase business losses and expenses and decrease foot traffic and the belief that certain parts of the City of Pembroke are safe and welcoming;

AND WHEREAS residents of, and private properties within, the City of Pembroke have had to endure ongoing harassment and nuisances caused by illegal and toxic drug users, drug trafficking and drug houses, including exposure to toxic drugs and drug paraphernalia;

AND WHEREAS increased law enforcement efforts are needed to focus on those individuals and criminal organizations that illegally traffic and sell controlled substances and profit off of their drug using victims;

AND WHEREAS all levels of government share in the responsibility to combat illegal and toxic drug use including the federal government's jurisdiction over criminal law and controlled substances, the provincial government's jurisdiction over health care and property regulation, and the municipal government's role in by-law enforcement and the provision of local services including policing and social services;

AND WHEREAS subsection 10(2) of the *Municipal Act, 2001*, provides broad authority to single-tier municipalities to pass by-laws relating to:

1. the economic, social and environmental well-being of the municipality,
2. the health, safety and well-being of persons, and
3. the protection of persons and property;

AND WHEREAS subsection 128(1) of the *Municipal Act, 2001*, provides that a local municipality may prohibit and regulate with respect to public nuisances, including matters that, in the opinion of council, are or could become or cause public nuisances;

AND WHEREAS one of the highest priorities of any municipality must be the safety and security of its residents;

NOW THEREFORE IT IS MOVED that the City of Pembroke, its elected officials and staff carry out the following actions on behalf of the municipality:

1. That the City of Pembroke declare illegal and toxic drug use to be a current crisis within the City of Pembroke;

2. That the City of Pembroke write to the local administrative judges of the Ontario Court of Justice and the Superior Court of Justice in the County of Renfrew, and the Regional Senior Justice of the Peace for the East Region, to advise that illegal and toxic drug use has been declared a current crisis within the City of Pembroke;
3. That the Mayor, or his designee(s), and staff of the City of Pembroke be empowered, and are hereby called upon, to continue to proactively meet with such local, provincial and/or federal officials as is necessary in order to request increased co-operation, funding, resources and law enforcement strategies to combat illegal and toxic drug use, drug-related crime and the proliferation of drug houses within the City of Pembroke and the broader County of Renfrew area;
4. That the City of Pembroke calls on the federal and provincial governments to provide local governments and organizations, including municipalities, police forces, health care providers, social service providers and addiction services, with the necessary resources and tools to tackle the ongoing illegal and toxic drug crisis;
5. That the City of Pembroke calls on the federal government to enact stricter laws, as well as more severe and new sentencing options, concerning those individuals and criminal organizations that engage in the illegal importing, trafficking and sale of controlled substances;
6. That the City of Pembroke calls on the federal government to enact sentencing laws that, while recognizing the Charter of Rights and Freedoms and everyone's constitutionally protected personal liberties – including those convicted of drug-related offences, nevertheless mandate education and treatment requirements that will be more likely to rehabilitate a convicted drug user than a sentence consisting only of detention in a jail or prison;
7. That the City of Pembroke calls on the provincial government to enact new laws and regulations that will give municipalities and victimized property owners additional, better and more efficient tools to deal with drug houses and other drug-related nuisance properties that are antagonizing and devaluing local neighbourhoods;
8. That a request be made to the Ontario Provincial Police – Upper Ottawa Valley Detachment (Pembroke) to attend before the Council of the City of Pembroke within 90 days to present an actionable plan to combat local drug crime, drug-related crime, drug trafficking and the establishment of drug houses in the City of Pembroke (such presentation not to include any operational or investigative techniques or plans that, if disclosed publicly, would hinder policing efforts);
9. That the City of Pembroke demands that the Ontario Provincial Police – Upper Ottawa Valley Detachment (Pembroke) conduct more frequent foot patrols in target areas including, but not limited to, the downtown core;
10. That the City of Pembroke reasonably use any and all lawful enforcement efforts at its disposal to tackle the issues of drug crime, drug-related crime, drug trafficking and the establishment of drug houses in the City of Pembroke including, but not limited to, the application and enforcement of nuisance laws, the passing of any new by-laws or the amending of any existing by-laws (including nuisance by-laws, fouling by-laws, property standards by-laws, etc.), and making referrals as necessary to the OPP for matters relating to the *Criminal Code of Canada*, the *Controlled Drugs and Substances Act* (Canada) and other federal or provincial laws and regulations;
11. That the City of Pembroke specifically pass a new by-law, or amend an existing relevant by-law, that makes the littering, disposing or depositing of drugs, drug residue or drug

paraphernalia on private property without the consent of the property owner against the law;

12. That Council directs staff and the Community Improvement Plan Committee to research, develop and propose a new CIP grant that would provide financial assistance to persons or businesses purchasing security systems that would have a public benefit to them including, but not limited to, the installation of outdoor security cameras that could be accessed, if and when needed, by local police or by-law enforcement to assist in the solving of local area crimes;
13. That the City of Pembroke continue to support and promote the use by local residents of the CAMSafe program that allows property owners with security cameras to register their cameras with law enforcement who can then call on the residents for access to their cameras if a crime is committed in their area;
14. That the City of Pembroke continue to support and promote the local Community Watch Program and provide resources and education as it concerns the specific issues of drug crime, drug-related crime, drug trafficking and the establishment of drug houses in the City of Pembroke;
15. That this Motion be passed as one part of a broad effort on the part of the City of Pembroke and other local governments to combat illegal and toxic drug use and the harmful effects thereof, together with other efforts including the promotion and support of harm reduction strategies, physical and mental health initiatives and other social and general welfare services that are all needed as part of today's generally accepted wrap-around support systems, including the ongoing and successful MESA initiative; and
16. That a copy of this Motion be posted on the City of Pembroke's website and also forwarded to the Hon. Arif Virani, Minister of Justice and Attorney General of Canada; the Hon. Doug Downey, Attorney General of Ontario; the Hon. Paul Calandra, Minister of Municipal Affairs and Housing; Mrs. Cheryl Gallant, Member of Parliament for Renfrew-Nipissing-Pembroke; Mr. John Yakabuski, Member of Provincial Parliament for Renfrew-Nipissing-Pembroke; and Mr. Peter Emon, Warden for the County of Renfrew.
